In the Matter of:

THE APPLICATION OF FOUNTAIN RUN	)	
WATER DISTRICT TO ESTABLISH AND	)	
INCREASE CERTAIN NON-RECURRING	)	CASE NO. 90-269
CHARGES	)	

O R D E R

On September 4, 1990, Fountain Run Water District ("Fountain Run") filed an application requesting that it be allowed to increase its existing connection fee for a 3/4 inch meter and to establish a meter recheck charge. On September 28, 1990, the Commission requested, by letter, additional information concerning certain filing deficiencies. These deficiencies were to be filed within 15 days.

On November 9, 1990, Fountain Run filed for an extension of time to file the requested information and was granted an extension to the close of business November 26, 1990.

On November 27, 1990, Fountain Run filed the requested information along with schedules which itemize the expenses involved in providing the above-mentioned services. A review of these schedules indicates that the proposed meter recheck charge and the increased connection fee for 3/4 inch meter are equal to the expenses of such charges and should be approved.

The Commission, having considered the evidence of record and being sufficiently advised, HEREBY ORDERS that:

1. Fountain Run is hereby authorized to establish a meter recheck charge and to increase the connection fee for a 3/4 inch meter as set out in Appendix A, attached hereto and incorporated herein.

2. Within 30 days from the date of this Order, Fountain Run shall file a revised tariff, signed by the appropriate utility officer, setting out the rates approved herein with the effective date being the date of this Order.

Done at Frankfort, Kentucky, this 17th day of December, 1990.
